

Committee Name: Newborn Screening Advisory Panel

Dr. Yves Giguère– Conflict of Interest Disclosure (dated December 2023)

Dr. Yves Giguère is member of the Newborn Screening Advisory Committee of the Ministry of Health (Comité consultatif sur le dépistage néonatal sanguin et urinaire). In the past, Dr. Giguère was a member of the Document Development Committee on Newborn Screening for Congenital Hypothyroidism (NBS10) of the Clinical and Laboratory Standards Institute, as well as advisory committees for the Institut national d'excellence en santé et en services sociaux on the evaluation of newborn screening of inborn errors of metabolism. Dr. Giguère received research funding or grants from the Réseau de médecine génétique appliquée to study decision support on the addition of genetic conditions to a neonatal screening program.
