¹ The date of receipt is considered day zero for the purpose of calculating the 10-business day targeted timeframe for the initial screening of the requirements. If the sponsor is targeting a specific meeting, they are encouraged to file the application early in the window to allow time for addressing any potential deficiencies.

² Applications are typically initiated within 10 business days of being accepted for review by CADTH.

³ For submissions that are filed on a pre-NOC basis, the draft recommendation will not be released until CADTH has received a copy of all required information, including a copy of the NOC or NOC/c.

⁴ If there is no request for reconsideration filed by the sponsor and/or drug programs.
