</table>
**Version Number** | **Report Version and Update Details**
--- | ---
Version 2.0 | Final review:
- **Date of final literature search update for final review:** December 30, 2021
- **Number of included studies in final review:** 12 unique studies (3 RCTs and 9 nonrandomized studies) in 15 publications
- **What's New (from baseline review):** New evidence identified from Update #1 and Update #2 and assessed to have no important impact on review findings was integrated into the review.
- **Publication date:** June 2022
