Committee Name: CADTH Canadian Drug Expert Committee (CDEC)
Dr. Bruce Carleton — Conflict of Interest Disclosure (Dated November 2018)
Dr. Carleton works as the Director of the Pharmaceutical Outcomes Programme (POPi) at the BC Children's Hospital. The POPI has received financial support for its pharmacogenomics research from the following government-funded agencies in Canada: Canada Foundation for Innovation (CFI), Canadian Institutes of Health Research–CIHR, Genome Canada, Genome British Columbia and the Provincial Health Services Authority, the University of British Columbia, and BC Children's Hospital Research Institute. Dr. Carleton serves on the US UnitedHealthCare pharmacogenomics advisory committee and served on the data safety monitoring board for Aevi Genomic Medicine in 2017.
