

Committee Name: Provincial Advisory Group (PAG)

Nicole MacDonald — Conflict of Interest Disclosure (December 2020)

Nicole provided her personal experience with using glasdegib, inotuzumab, and gemtuzumab. She also provided feedback on the structure of patient support programs with a focus on better patient outcomes.

A relative of Nicole's received honorariums from Janssen Canada for educational lectures on daratumumab in 2019 and from Pfizer Canada for advice and consultation on acute myeloid leukemia in 2020.
