

Conflict of Interest Declaration

To maintain the objectivity and credibility of the pCODR process, all participants in the pCODR review process must disclose any conflicts of interest. A registered clinician must declare any potential conflicts of interest that may influence or have the appearance of influencing the information submitted. A conflict of interest declaration is requested for transparency — it does not negate or preclude the use of the clinician input.

Examples of conflicts of interest include, but are not limited to:

- financial support from the pharmaceutical industry or other entities (e.g., educational or research grants, honoraria, gifts, and salary)
- affiliations, or personal or commercial relationships with drug manufacturers or other interest groups.

Section A: Payment Received

1. Have you received any payments over the previous two years from any company or organization that may have a direct or indirect interest in the drug under review?

- Yes
 No

If no, please go to Section B.

2. What form of payment did you receive? (Check all that apply.)
