Review Committee Initial Recommendation
(Patient Advocacy Group)**

**Decitabine and Cedazuridine (Inqovi) for
Myelodysplastic Syndromes**

September 22, 2021

3 Feedback on pERC Initial Recommendation

Name of the Drug and Indication(s):	Decitabine-Cedazuridine Myelodysplastic Syndromes (MDS)
Eligible Stakeholder Role	Patient Group
Organization Providing Feedback	Aplastic Anemia and Myelodysplasia Association of Canada

3.1 Comments on the Initial Recommendation

a) Please indicate if the stakeholder agrees, agrees in part, or disagrees with the initial recommendation:

- Agrees
 Agrees in part
 Disagrees

In agreement with the initial recommendation.

b) Please provide editorial feedback on the initial recommendation to aid in clarity. Is the initial recommendation or are the components of the recommendation (e.g., clinical and economic evidence) clearly worded? Is the intent clear? Are the reasons clear? ***This was all clear no comments or suggested changes.***

3.2 Comments Related to Eligible Stakeholder Provided Information

Notwithstanding the feedback provided in part a) above, please indicate if the stakeholder would support this initial recommendation proceeding to final recommendation (“early conversion”), which would occur two business days after the end of the feedback deadline date.

- Support conversion to final recommendation.
 Recommendation does not require reconsideration by pERC.
 Do not support conversion to final recommendation.
 Recommendation should be reconsidered by pERC.

If the eligible stakeholder does not support conversion to a final recommendation, please provide feedback on any issues not adequately addressed in the initial recommendation based on any information provided by the stakeholder during the review.

Please note that new evidence will be not considered at this part of the review process, however, it may be eligible for a resubmission.

Additionally, if the eligible stakeholder supports early conversion to a final recommendation; however, the stakeholder has included substantive comments that requires further interpretation of the evidence, the criteria for early conversion will be deemed to have not been met and the initial recommendation will be returned to pERC for further deliberation and reconsideration at the next possible pERC meeting.
