

pCODR Patient Advocacy Group Conflict of Interest Declarations

Name of registered patient advocacy group: Carcinoid Neuroendocrine Tumour Society of Canada (CNETS Canada)

Name of drug and indication under review: Everolimus (Afinitor) indicated for patients with gastrointestinal and lung neuroendocrine tumours

Conflict of Interest Declarations

To maintain the objectivity and credibility of the pCODR process, all participants in the pCODR review process must disclose any conflicts of interest. Patient advocacy groups must declare any potential conflicts of interest that may influence or have the appearance of influencing the information submitted. Conflict of interest declaration is requested for transparency – it does not negate or preclude the use of the patient advocacy group input.

Examples of conflicts of interest include, but are not limited to:

- financial support from the pharmaceutical industry e.g., educational or research grants, honoraria, gifts, and salary;
- affiliations or personal or commercial relationships with drug manufacturers or other interest groups.
