¹ Refer to the Procedure for Common Drug Review on the Common Drug Review section of www.cadth.ca for more details.

² The target dates for this report are based on the CDEC meeting schedule, which is posted on www.cadth.ca.

³ The deadline for Patient Group Input is 15 business days after CADTH receives the Submission or up to 25 business days if advance notice of a Submission is received from the Manufacturer.

⁴ Target time is calculated, based on the date the Reviewers receive copies of the Manufacturer's Submission. Target time does not include the time allocated for receipt of Manufacturer's binders (5 business days) and time allocated for distribution of binders to reviewers (3 business days).

⁵ The Recommendation is held in confidence by all stakeholders and not acted upon until after CADTH has issued the notice of Final Recommendation.

This Submission Status Report reflects status as of Thursday noon.
